Employee Assistance Program (EAP)

The Employee Assistance Program (EAP) is provided through Health Advocate by the Delaware Valley Trusts and your employer. The EAP is a voluntary program that provides short-term counseling services to Health Trust enrollees and their spouses, dependent children, parents and in-laws for a wide range of issues including stress, depression, anxiety, anger, grief, loss, family/parenting issues, substance abuse, work conflicts, and much more. Your counselor can also refer you for additional treatment, if needed. In addition, EAP specialists can help with supportive services for eldercare and childcare issues, financial and legal concerns, time management and relocation support.

Call 877-240-6863 for confidential 24/7 access 365 days per year. Health Trust enrollees can also log onto healthadvocate.com/members and enter "Delaware Valley Trusts" for access to online resources.

Nurse Navigator

Personalized in-house program to help Health Trust enrollees and their covered dependents better understand treatment and care options, claims processing, and offer an added support system when needed. Contact the nurse navigator at nursenavigator@dvtrusts.com.
