The rabies vaccination must be valid at the time of application for the license and the vaccination expiration date must occur AFTER March 1 of the year through which the license will be valid. Dog owners are required by law to keep vaccination up-to-date. License fees are not subject to refund.

**Applicant** if you are applying for a license that requires your dog be spayed or neutered, you must either submit proof of the sterilization or sign the following affidavit: I hereby verify that the dog has been sterilized and that I make this statement subject to the criminal penalties (up to 1 year incarceration and a $2,300 fine) under 11 Del. C. 877 (relating to the submission of false information at the state).
