

Kent County Levy Court
Community Service Grant Program

Kent County Levy Court is currently accepting Community Service Grant applications. County Policy No. 22 §3 outlines the grant requirements. In order to be considered for this grant program, applications must be received by Kent County no later than close of business December 14, 2017. The policy and application forms are available for download by selecting the options below. The Application form is available in both Adobe Acrobat and in Microsoft Excel formats. The Policy is available in Adobe Acrobat format.

Applications must be submitted in paper form and be signed by an authorized applicant representative.

Again, the deadline for submission of the grant applications is December 14, 2017. Note that any application received after this date will not be considered.

All grant awards are subject to the approval of the Levy Court. Funds for the upcoming year are forecast to be austere and meeting the criteria does not guarantee that funds will be awarded.

Direct all inquiries, questions and application submissions to:
