

CAKE MIX Collection Helps Needy Families

The Salvation Army office in Dover provides families in need residing in Kent County, Delaware with Christmas food bags and/or Christmas toys for children ages 14 and under. They anticipate approximately 200 families in Kent County will apply for help again this year.

The highlight of any holiday meal is the dessert, but many needy families do not get to enjoy the simple pleasure that most of us take for granted.

Kent County employees can help make this Christmas holiday dinner just a little nicer. We have been asked this year to collect 200 boxes of cake mix for their annual Salvation Army holiday food box program. Donating a box or two of cake mixes, you are helping a needy family.

Please bring your cake mix boxes to the Personnel Office any time before or on November 30, 2017. We will have them delivered to the Salvation Army office on December 1, 2017 by our County staff.
