

## ***Explore Healthcare Bluebook for a chance to win “The Game of Life”!***

Kent County employees/retirees enrolled in the DVHT/Aetna health plan can win one of 7 gift cards with a value ranging from \$100 to \$500 by participating in an exciting new campaign offered by Delaware Valley Health Trust called “**The Game of Life**”! To join the fun, simply access the following link <http://explore.healthcarebluebook.com/s3/dvht> between September 24, 2018 and October 19, 2018.

The game is played by creating a virtual family and navigating the Healthcare Bluebook and comparing the cost and quality of healthcare services. The skills acquired participating in the game can then be used whenever a medical service is required in real life. Plus, Healthcare Bluebook also provides cash rewards to members who use a “green” (fair-priced) provider for eligible services. The reward check can range from \$25 - \$100 depending on the service and are mailed directly to the employee.

Good Luck! And for more information about Kent County employee/retiree health benefits, DVHT or Aetna, contact the Personnel Office at 744-2310.
