Schedule of benefits

This schedule of benefits lists the **copayments/payment percentage**, if any, that apply to the services you receive under this plan. You should review this schedule to become familiar with your **copayments/payment percentage** and any limits that apply to the services.

How to read your schedule of benefits

- When we say:
 - “In-network coverage”, we mean you get care from **network providers**.
 - “Out-of-network coverage”, we mean you can get care from **out-of-network providers**.
 - “Other health care coverage”, we mean you can get care from an **out-of-network provider** when you could not reasonably get the services and supplies needed from a **network provider**. This includes when you get care from **out-of-network providers** during your **stay** in a **network hospital**.
- The **copayments/payment percentage** listed in the schedule of benefits below reflect the **copayment/payment percentage** amounts under your plan.
- Any **payment percentage** listed in the schedule of benefits reflects the plan **payment percentage**. This is the amount the Plan pays. You are responsible to pay any **copayments** and the remaining **payment percentage**.
- You are responsible for full payment of any health care services you receive that are not a covered benefit.
- This plan has maximums for specific **covered benefits**. For example, these could be visit, day or dollar maximums. They are combined maximums between **network providers** and **out-of-network providers** unless we state otherwise.
- At the end of this schedule you will find detailed explanations about your:
 - **Maximum out-of-pocket limits**
 - Maximums

Important note:

All **covered benefits** are subject to **copayment/payment percentage** unless otherwise noted in the schedule of benefits below.
