

PUBLIC NOTICE

Public Notice is hereby given that the Kent County Levy Court, Department of Public Works will accept Statements of Qualifications from Professional Engineering firms for the specific project as outlined below. **Interested firms shall submit four (4) copies of their submittals on or before 4:00 p.m., February 28, 2019** to the Kent County Levy Court, Department of Public Works located at 555 Bay Road, Dover, Delaware 19901. Envelopes shall be marked "RFQ – Local Limits Evaluation". Submittals received after the stated date and time will not be considered.

PROJECT DESCRIPTION: The project is a study to evaluate and develop local limits as required by EPA and the Kent County's NPDES permit effective October 1, 2017. The sampling data collected by Kent County will be analyzed to assess metals, organic loadings, and total suspended solids in discharge received from Significant Industrial Users, hauled waste from distillery operations, filtrate from a landfill, wastewater from Dover Air Base, as well as commercial and residential wastewater. The resulting local limits shall be technically defensible. The project's focus is the Kent County Regional Resource Recovery Facility located at 139 Milford Neck Road, Milford, DE.

The County reserves the right to award the contract in the best interest of the County. Award of any contract will be based on competitive ranking as outlined in the evaluation criteria of the "Submittal Requirements". Respondents shall obtain the formal "Submittal Requirements" document by contacting Andy Riggi, Assistant Public Works Director by phone at (302) 744-2430 or by email at Andy.Riggi@co.kent.de.us.
