

DVHT Website offers *FREE* Access to Training and more!

As members of Delaware Valley Health Trust, Kent County employees have access to the Trust's comprehensive website featuring Member Resources, Training & Events, Wellness, and Support to name a few.

If you have not registered for the Trust's website yet, simply go to www.dvtrusts.com and click on REGISTER in the top right-hand corner, provide your email and create a password. You will then have access to a substantial amount of health and wellness information. By selecting the "Member Resources" tab, you can quickly link to Health Trust information including DVHT forms and Aetna specific programs and resources.

DVHT offers training to members of the Health Trust as a value-added benefit. By selecting the Training & Events tab, then clicking "Scheduled Trainings" employees can view a calendar of training sessions that are available for the upcoming year. Kent County employees ***only*** have access to the courses that indicate they are "Open to DVHT members". Most of the training sessions are at no cost/low cost to members and are held at the DVHT Health Center in Horsham, PA. Please remember that attendance at any training session needs to be approved by your Department Head and if any fees are involved, there would need to be available funding in the department budget to cover the costs.

The Wellness tab on the website provides an overview of the health philosophy of Delaware Valley Health Trust as well as quick links to the individual Member Wellness section with access to the Wellness Incentives that are available including submittal forms; information on the DVHT Health Center in Horsham, PA; and also to the Employee Assistance Program that is designed to assist employees with achieving a happier and more balanced work and home life.

The Support button links to a contact form where you can email DVHT with any question you may have. It also provides the phone number, fax number, and a list of email addresses for inquiries.

DVHT actively encourages and promotes healthy lifestyles for its members. Make sure to sign up and browse all the beneficial articles and programs available to you today!

DVIT also offers self-insured property & casualty insurance and workers compensation insurance coverages to numerous Pennsylvania municipalities, not available in Delaware.
