

# Is Your ICMA-RC Plan in Good Health?

ICMA-RC's online Plan Health Monitor is now available in [EZLink](#)! The Plan Health Monitor provides an easy way for you to assess the overall health of your ICMA-RC retirement plans and identify opportunities for improvement.

## The Plan Health Monitor includes:

- **High-Level Plan Snapshot** – Assess the overall health of your plan by viewing key plan metrics
- **Segmentation Analysis** – Access more detailed employee data to identify segments that may benefit from additional attention
- **Results Tracking** – Track your efforts and see your plan's progress over time

**For more information on the tool, the following resources are available to you:**

- [Plan Health Monitor Overview](#)
- [Plan Health Monitor Tutorial](#)
