

DPH announced this week walk-in hours at five of its public health clinics for those interested in getting a COVID-19 vaccination

The **new vaccination walk-up clinics, which started this week, are offering the Pfizer vaccine. No appointment is necessary.** The clinics are open to any individual 16 years or older. Pfizer is the only vaccine currently FDA-approved to served individuals under the age of 18.

The clinics, located in Dover, Georgetown, Milford, Seaford, and Wilmington, are handicap-accessible and are located within walking distance of DART routes. Walk-in hours are 8:30 a.m. – 11:30 a.m., and 1:15 p.m. – 4:00 p.m., Monday – Friday. Details can be found at de.gov/getmyvaccine
