

**Title: Building Codes Inspector II**  
**Department: Planning Services**  
**Division/Office: Inspection & Enforcement section**

Grade 2119; Hourly position; Category: Classified; Job Code: BCI2; Rev.:07/01/2021

### **General Description**

The purpose of this position is to perform complex (journeyman) inspection work of buildings under construction or alteration and property to determine and secure compliance with the building code and zoning or other ordinances.

This career ladder series position works under general supervision, independently developing work methods and sequences.

### **Duties and Responsibilities**

*The functions listed below are those that represent the majority of the time spent working in this position. Management may assign additional functions as necessary.*

- Reviews submitted plans for code compliance.
- Performs complex inspections of buildings in the course of construction, alteration, and repair as frequently as necessary for adequacy of foundation, structural safety, and the conformity of the entire structure with approved plans.
- Examines plans approved for residential and accessory buildings for permits to see that they conform to applicable building code and zoning ordinances.
- Consults with builders, architects and engineers over a structures design, components, and intended completion.
- Answers questions from permit applicants and general public regarding building codes and their end use application, building techniques, and acceptable building practices.
- Issues notices for zoning, building, housing, and property maintenance code violations and prepares letters to property owners, contractors or agents informing them of violation and method of correcting violations to all codes and ordinances and past precedents.
- Provides training, assistance and leadership to newly hired inspectors.
- Prepares reports and maintain records of inspections performed covering conditions found, action taken, and recommendations made for further action.
- Makes special investigations upon specific request, preparing written reports of findings indicating violations found to exist or providing requested specific information under the supervisor's direction.
- Routinely appears as representative of Kent County before County Committees, boards, and commissions and Courts of Law.
- Performs related work as required.

### **Minimum Education and Experience Requirements:**

Requires High School graduation or GED equivalent with four (4) years of experience as a certified building inspector, an engineer, architect, superintendent, foreman, or general building construction or any equivalent combination of education, training and experiences.

### **Additional Requirements:**

Comprehensive knowledge of the materials, methods, and practices used in building construction and of stages of construction when possible defects and violations may be most easily observed and corrected; ability to recognize faulty construction or hazardous conditions created by deterioration and to recommend effective corrective measures; ability to read and interpret building construction plans and specifications of buildings and to recognize deviations from such plans in the construction process; ability to enforce codes and regulations firmly, tactfully, and impartially; ability to establish and maintain effective working relationships with contractors, property owners, representatives from other agencies and the public; ability to express oneself clearly and concisely, orally and in writing; working knowledge

*This Class Description does not constitute an employment agreement between the Kent County Levy Court and an employee and is subject to change by the County as its needs change.*
