

**Title: Paramedic II**  
**Department: Public Safety**  
**Division/Office: Emergency Medical Services Division**

Grade 2119; Hourly position; Category: Classified; Job Code: PAR2; Rev.:07/01/2021

### **General Description**

The purpose of this job is to perform responsible advanced emergency medical treatment of injured/ill patients in response to emergency calls, preparing and maintaining detailed records, and may act as a preceptor/educator for paramedic students, newly hired paramedics and remediation for current paramedics.

This position works under close to general supervision according to set procedures but determines how or when to complete tasks.

### **Duties and Responsibilities**

*The functions listed below are those that represent the majority of the time spent working in this position. Management may assign additional functions as necessary.*

- Responds to emergency medical calls involving chest pain, possible heart attacks, respiratory distress, unconsciousness or other conditions that might require advanced life support including treatment techniques such as airway management, I.V. Therapy, drug administration, cardiac monitoring and defibrillating and electrocardiogram strip interpretation, drives equipment and administers first aid, transports victims to emergency care facilities.
- Provides emergency medical care in accordance with established protocol, guidelines, written or verbal instructions from physicians.
- Observes patient responses; identifies diagnostic signs which may require communications with medical facility for advice and direction; administers medications and treatment as instructed by physicians.
- Maintains accurate and complete prehospital patient care reports/insurance forms.
- Monitors and administers medications.
- Verifies all medications on the units are within date and if not to change out with the proper replacement.
- Checks and restocks the response vehicle for proper equipment and supplies.
- Performs general maintenance work and upkeep on vehicles, equipment, station and grounds.
- Participates in continuing training and instruction program by individual study of technical material and attendance at scheduled drills and classes.
- Performs related work as required.

### **Minimum Education and Experience Requirements:**

Requires High School graduation or GED equivalent supplemented by specialized courses/training equivalent to completion of two (2) years of college supplemented by three (3) years of emergency medical experience or an equivalent combination of education, training and experience.

### **Additional Requirements:**

Good knowledge of and skill in advanced emergency care procedures; knowledge of physiology for diagnostic purposes; knowledge of pharmacology; strong knowledge of traffic rules and regulations; ability to safely operate a vehicle on the road in emergency situations at high speed; skill in operating advanced emergency care equipment; ability to understand and follow oral and written instructions; ability to prepare accurate written reports; ability to manage people in stressful situations for the care and safety of the patient; skill in minor maintenance of emergency vehicles; good driving record (to be determined by review); excellent moral character (to be determined by a
