

Free Cyber Security Awareness Training for Employees (Virtual)

Virtual Session - Link will be provided prior to session

Event Overview

Open to DVHT members (Kent County health insurance enrollees).

The human element makes a significant difference in the success of a cybersecurity program. There is no single technology or user behavior that will completely protect you or the organization from cyber incidents. Keeping you and the organization safe requires developing layers of both technical and human defenses.

The training focuses on the human element of protecting information. It will help users recognize and reduce the risk of a cybersecurity breach.

A Zoom link with instructions will be sent to registrants about a week prior to the class.

Please contact cbigham@dvtrusts.com or call 267-803-5720 with questions.

Where & When

17 March 2022

10:00 am – 12:00 pm

FEATURED COURSE: CYBERSECURITY AWARENESS FOR EMPLOYEES (VIRTUAL) – Seats available for two upcoming dates: March 17 and March 24. Open to all Trusts. See details below.

Trust Trainings: Scheduled training programs offer a broad range of topics including leadership and development, injury and illness prevention, law enforcement, health and wellness, and computer skills. Some trainings are restricted to a specific Trust: Property & Liability (DVPLT), Workers' Compensation (DWWCT) and/or Health (DVHT) as noted.

Visit www.dvtrusts.com/events to view scheduled courses and/or to register.

- **REGISTRATION:** Log onto www.dvtrusts.com, click “Training & Events,” select a course and click “Register.” First-time users will need to create login credentials. If you need to register someone other than yourself or have any questions, please contact cbigam@dvtrusts.com or dkerns@dvtrusts.com.
- **WAITLIST:** Seats are offered on a “first-come, first serve” basis. Due to high demand, some courses will fill quickly. Additional sessions may be scheduled based on member interest. If a course is full, please email cbigam@dvtrusts.com or dkerns@dvtrusts.com to be placed on a waitlist.
