### **Kent County Levy Court Warns of Telephone Scam**

**Dover, Del.** - Kent County Levy Court is warning residents about a telephone phone scam targeting Kent and Sussex County residents. The caller, pretending to be a Deputy from the County's Sheriff's Office, informs the recipient of the call that they missed jury duty and a warrant has been issued. They tell the resident to purchase a \$900 money order and then call them back with the numbers on the money order.

If you receive a call like this, the Kent County Sheriff's Office recommends that you hang up immediately and contact your local police Department.
