Patrons cannot deny the use of pavilion tables if not immediately occupied. Seating is limited.
2. Sports fields may be rented for exclusive private use. Permits can be obtained through the Parks and Recreation Office. Permits cannot be issued inside of 15 days and outside of three months. Fee and security deposit apply.
3. Kent County provides pet waste bags at each of its parks. Pet owners are responsible for cleaning up after their pet(s) and removing waste from the park.
4. Kent County Parks are "carry-in, carry-out" facilities. Patrons are responsible for removing their trash when they leave the park. Small trash bags are available at each park for your convenience.
